FOURTH WARD.
Murry Briggs, editor of the Sullivan Democrat, has been sojourning in our city for a day or two.

REPORTED READY.—The Third Ohio Infantry, comprising five companies, have been reported to the Governor of Ohio, ready to march on the reception of orders.

Judge Sullivan, of Madison, Ind., is spoken of as a candidate for the Supreme Judgeship. He is a worthy man and admirably qualified for the station.

HOME GUARD.—The subject of forming a company of solid citizens, of middle age, as a home guard, is being discussed. We hope it will be done.

GIVING COMFORT TO THE EXILE.—The treacherous article of the *State Sentinel*, which caused such indignation among the citizens of Indianapolis on Saturday last, is quoted in glowing capitals in the *Louisville Courier* of Monday, with indications of the highest gratification.

Volunteers.—Those who desire to volunteer their services to the Government, can have the opportunity to enroll their names at the Armory of the Vigo Guard, corner of Market and Cherry streets.

I. C. Ferris respectfully invites the citizens of Terre Haute and vicinity, to his fine collection of Roses and Plants in great variety; they will be on hand by the 22nd inst., and they will do well to avail themselves, as the collection will be fine and of the choicest new, as well as the older varieties.

SHOWN OF WAR.—The President of the United States received a letter a few days since, from St. Louis, containing a five dollar South Carolina bill, contributed to the reinforcement of Major Anderson. The envelope contained on one side a rebel flag and on the other the old stars and stripes.

WEEKLY WARREN EXPRESS.—We issue this morning the *WEEKLY WARREN EXPRESS*, containing full particulars of the progress of the rebellion; the attack on Fort Sumter; the surrender; Proclamation of the President; the North's response; call for soldiers; and a great variety of other interesting matter, and the absorbing topics of the day; local items and commercial and monetary news. Copies for sale at the office.

We must ask the indulgence of our new subscribers, for a little while, as so many new names have been added within the past week, that the carriers may forget one or more. Any one not getting their paper, will please report at the office. There are several newspaper thieves in the city. If they will call at the office, we will give them a copy, to save disappointment to our subscribers.

THE NORTHERN HEART AROUSED.—The Northern heart of this great nation has at length been thoroughly aroused, and the tramp of armed legions is already heard throughout the land. The shrill screaming life and the rattling drum are heard on every hand, calling the brave and loyal millions of the country to rally to the defense of the flag under which our fathers fought, and to the preservation of that heritage which they bequeathed us. The work of volunteering commenced here yesterday, and rapidly the ranks are filling up. The Union sentiment has become rampant and is boiling over.

A magnificent flag was suspended over Wabash street, at the crossing of Second. Our people have counted the cost, but are now ready to avenge the insult offered to the flag of Washington and the patriot heroes of the revolution.

COL. KENNEDY DUMONT.—The Indianapolis *Journal*, of yesterday, pays the following just compliment to Col. Dumont, whom a braver man, or a truer patriot never struck a blow for his country's flag. Col. Dumont has been solicited to take charge of a fifth company of infantry now forming, which he has signified his willingness to do. A number of names have already been enrolled for the new company. The Colonel will likely be tendered the command of the Central Indiana Regiment, and should he be called into service no regiment will have a braver commander or truer patriot to direct its movements. Col. Dumont differs from us politically, but in this hour of the country's danger we know no man as a Democrat or as a Republican who is a sincerer patriot.

MORE COMPANIES TENDERED TO THE GOVERNMENT.—Benjamin Spooner, Esq., of Lawrenceburg, telegraphed to the Governor yesterday, that a full company would be raised there last night, and would be tendered to the Government for immediate service. H. Tripp, Esq., of North Vernon, telegraphed that a company had been raised in that place and was ready for equipment. Col. Sumner, of Greensburg, telegraphed that three companies had been fully organized in that place, and were ready to start for service at any moment.—*Ind. Journal.*
